Before You Begin

Materials & Tools

Yarn A (body, tassel, cord)	DK (#3) cotton, cream — approx. 24 m (26 yd), about 11 g — 1 ball of 50 g (about 115 m) is enough
Yarn B (rims, ribs)	DK (#3) cotton, mustard gold — approx. 4 m (4 yd), about 2 g — 1 ball of 50 g (about 115 m) is enough
Hook	2.5 mm (US B/1–C/2)
Beads	4 gold-tone beads 6 mm (hole at least 2.5 mm); 2 natural wooden beads 12 mm (hole at least 3 mm). Both cord strands must pass through each bead together — test before you start.
Notions	fiberfill (about 8 g), stitch markers, long doll needle or tapestry needle, stiff card, scissors

Gauge

GAUGE 22 sc and 24 rows/rnds = 10 cm (4 in) in single crochet with a 2.5 mm hook. Gauge is not critical for an ornament, but work firmly so that stuffing does not show and flat pieces keep their shape; sizes depend on your tension.

How to swatch: Optional density check: ch 12, then work 10 rows of sc on 11 sts. The square should measure about 5 cm (2 in) wide and 4 cm (1.6 in) tall. If it is larger or you see gaps between stitches, use a smaller hook.

Finished Measurements

Part	Width	Height
Lantern (stuffed)	≈ 5.2 cm (2 in) body, rims ≈ 4.3 cm	≈ 8 cm (3.1 in)
Tassel	–	8 cm (3.1 in)

CHOOSING A SIZE One size. For a larger ornament use light worsted (#4) cotton and a 3 mm hook; for a smaller one use sport-weight cotton and a 2 mm hook. Beads and tassel length can be changed freely.

Abbreviations (US terms)

ch	chain	**MR**	magic ring
sc	single crochet	**BLO**	back loop only
inc	2 sc in the same stitch	**st(s)**	stitch(es)
dec	invisible decrease (sc2tog through the front loops)	**rnd(s)**	round(s)
sl st	slip stitch	**( ) xN**	work the sequence in brackets N times

Pattern Notes

- Terms: US crochet terms are used throughout; UK makers: US sc is the UK double crochet.
- Stitch counts: the number in parentheses at the end of a row or round is the number of stitches you have when it is finished. Tick the box when you finish each step.
- Spiral rounds (magic-ring pieces with no "Join"): do not join or turn; mark the first stitch of each round and move the marker up.
- Joined rounds (the round says "Join"): unless the round says otherwise, start with ch 1 (does not count as a stitch) and finish with a sl st into the first stitch.
- Rows: ch 1 at the end of a row, before turning, does not count as a stitch.
- Right side: for pieces in rounds, the outside of the rounds; for pieces in rows, choose the neater side and mark it. "Wrong sides together" means the marked right sides face out.
- Tails: leave a 20 cm (8 in) tail on pieces that will be sewn; weave in all other ends as you go.

Techniques

Magic ring (MR) — Wrap the yarn twice around two fingers, insert the hook under both strands, pull up a loop and ch 1 (does not count as a stitch). Work the stitches of Rnd 1 over both strands, then pull the tail firmly to close the centre.

Spiral rounds — Do not join or turn. Place a stitch marker in the first stitch of each round and move it up as you go.

Invisible decrease (dec) — Insert the hook in the front loop of the next st and in the front loop of the following st (3 loops on hook), yo and draw through 2 loops, yo and draw through the remaining 2 loops.

Joining new yarn with a standing sc — Make a slip knot on the hook, insert the hook in the stitch, yo, pull up a loop, yo and draw through both loops. This sc counts as the first stitch.

Surface chain (embroidered) — Bring the needle out where the line starts. Insert it back into the same hole and bring it out one round (about 4 mm) higher with the yarn under the needle tip; pull through to form a loop. Repeat, each stitch starting inside the previous loop. Anchor the last loop with a tiny stitch.

Tassel neck wrap — Lay a 5 cm loop of the wrapping strand along the tassel, pointing down. Wrap the long end tightly around tassel and loop, from the top down. Pass the end through the loop, then pull the short tail at the top until the loop disappears under the wraps. Trim both ends and hide them in the skirt.

Order of Work

- Read Before You Begin and gather the beads; check that both cord strands pass through every bead.
- Crochet: Lantern Body.
- Crochet: Rims and Ribs.
- Make the tassel and tie the hanging cord into it (Tassel).
- String beads and pieces on the cord, tie the knot and the hanging loop (Assembly & Finishing).

YARN A (CREAM) · MAKE 1

Lantern Body

The lantern is worked in one piece in spiral rounds from the top cap down to the bottom point. Two back-loop rounds leave free front loops for the mustard rims.

☐	**Rnd 1**	With Yarn A, 6 sc in MR.	**(6)**
☐	**Rnd 2**	(sc 1, inc) x3.	**(9)**
☐	**Rnd 3**	(sc 2, inc) x3.	**(12)**
☐	**Rnd 4**	(sc 1, inc) x6.	**(18)**
☐	**Rnd 5**	sc in each st around.	**(18)**
☐	**Rnd 6**	Working in BLO, sc in each st around (the free front loops of Rnd 5 carry the top rim).	**(18)**
☐	**Rnd 7**	(sc 2, inc) x6.	**(24)**
☐	**Rnd 8**	sc 1, inc, (sc 3, inc) x5, sc 2.	**(30)**
☐	**Rnd 9**	(sc 4, inc) x6.	**(36)**
☐	**Rnds 10–15**	sc in each st around (6 rnds).	**(36)**
☐	**Rnd 16**	(sc 4, dec) x6.	**(30)**
☐	**Rnd 17**	sc 1, dec, (sc 3, dec) x5, sc 2. Begin stuffing.	**(24)**
☐	**Rnd 18**	(sc 2, dec) x6.	**(18)**
☐	**Rnd 19**	Working in BLO, sc in each st around (the free front loops of Rnd 18 carry the bottom rim).	**(18)**
☐	**Rnd 20**	sc in each st around. Stuff the body firmly.	**(18)**
☐	**Rnd 21**	(sc 1, dec) x6.	**(12)**
☐	**Rnd 22**	(sc 2, dec) x3.	**(9)**
☐	**Rnd 23**	(sc 1, dec) x3. Finish stuffing, fasten off and close the hole.	**(6)**

YARN B (MUSTARD)

Rims and Ribs

Rims

☐	**Rnd 1**	Top rim: hold the lantern with the magic ring at the top. Join Yarn B with a standing sc in a free front loop of Rnd 5 (this is the first sc); working in the free front loops: inc in the next st, then (sc 1, inc) x8.	**(27)**
☐	**Rnd 2**	sc in each st around. Join with a sl st to the first sc and fasten off.	**(27)**
☐	**Rnd 1**	Bottom rim: join Yarn B with a standing sc in a free front loop of Rnd 18 and work inc in the next st, then (sc 1, inc) x8, working in the free front loops as for the top rim.	**(27)**
☐	**Rnd 2**	sc in each st around. Join with a sl st to the first sc and fasten off.	**(27)**

Ribs: mark 6 columns spaced 6 sts apart around Rnd 12 of the body. Thread a tapestry needle with a 60 cm length of Yarn B. Bring it out under the bottom rim at the first column and embroider a line of surface chain (see Techniques) straight up the column, one chain stitch per round, to just under the top rim (Rnds 18 to 6). Take the needle back into the body and out at the next column; repeat for all 6 ribs. Hide the ends inside the stuffing.

YARN A (CREAM)

Tassel

Make the tassel when the crochet pieces are finished. The hanging cord is tied into its top, so it runs up through the whole ornament and is anchored in the tassel.

☐	**Step 1**	Cut a piece of stiff card 9 cm (3.5 in) tall. Wrap Yarn A (cream) around the card 40 times, keeping the wraps side by side and not too tight. Cut the yarn at the bottom edge.
☐	**Step 2**	Cut the hanging cord: one 110 cm (43 in) length of Yarn A. Slide it under all the wraps along the top edge of the card so that its middle sits there, and tie it in a tight square knot around the wraps. Both cord ends now point upwards.
☐	**Step 3**	Cut through all the wraps along the bottom edge of the card and remove the card. Let the strands hang down from the cord knot.
☐	**Step 4**	Tassel neck: cut a 70 cm length of Yarn A. Measure 2 cm down from the top fold and wrap it tightly 8 times around the bundle (see Tassel neck wrap in Techniques).
☐	**Step 5**	Trim the skirt evenly to 8 cm (3.1 in) from the top fold. Hold it over steam (or dampen it) and comb the strands straight with your fingers; let it dry hanging.

Assembly & Finishing

- Thread both cord ends together through a large-eye tapestry needle (or a bead needle with a big eye). Work upwards from the tassel.
- String, from the tassel upwards: 1 gold bead → 1 wooden bead → 1 gold bead → the lantern → 1 gold bead → 1 wooden bead → 1 gold bead.
- Lantern: push a long needle in at the bottom point (Rnd 23) and out at the centre of the magic ring at the top, straight through the stuffing.
- Push everything down snugly onto the tassel so there are no gaps. Holding both cord ends together, tie one overhand knot right above the top bead to lock the stack.
- Hanging loop: tie the two cord ends together with a square knot so that the loop measures 8 cm (3 in) from the overhand knot to the top. Trim the ends to 5 mm and add a drop of fabric glue to the knot if you like.

SAFETY This is a decoration, not a toy, and not suitable for children under 3 years. Beads and cords are a choking and strangling hazard: hang it out of reach of babies, young children and pets.

Checkpoints & Troubleshooting

Count your stitches at these points; the numbers match the rows above.

Piece	After	Stitches
Lantern Body	Rnd 1	6
Lantern Body	Rnd 23	6
Rims	Rnd 1	27

- One stitch too many or too few: check the last increase or decrease round, and that you did not work into the slip-stitch join or the ch 1 at the start of a row.
- Piece cups or ripples: your tension differs from the gauge; change hook size by 0.25–0.5 mm rather than the stitch counts.
- Stuffing shows through: use a smaller hook, or stuff a little less firmly.
- Flat pieces curl: pin them out, mist with water (or starch) and let them dry flat.
- Cord will not pass through a bead: thread one strand at a time with a fine needle, or use beads with larger holes.

THANK YOU Thank you for making this ornament. Happy crocheting!
