CROCHET PATTERN

Pink Tulip Hanging Ornament

A stuffed crochet tulip with stem and leaf on a beaded cord

SKILL LEVEL	FINISHED SIZE	YARN	HOOK
Intermediate	≈ 21 cm (8.3 in) plus an 8 cm loop	DK cotton · 3 colours	2.5 mm (US B/1–C/2)

A small stuffed tulip — a cup worked in spiral rounds with three pointed petals, plus an oval front petal — on a tube stem with one leaf, strung with beads above a cream tassel. The cord runs through the stem tube.

MATERIALS · GAUGE · ABBREVIATIONS

Before You Begin

Materials & Tools

Yarn A (tulip)	DK (#3) cotton, pink — approx. 5 m (6 yd), about 3 g — 1 ball of 50 g (about 115 m) is enough
Yarn B (stem, leaf)	DK (#3) cotton, sage green — approx. 3 m (4 yd), about 2 g — 1 ball of 50 g (about 115 m) is enough
Yarn C (tassel, cord)	DK (#3) cotton, cream — approx. 12 m (13 yd), about 5 g — 1 ball of 50 g (about 115 m) is enough
Hook	2.5 mm (US B/1–C/2)
Beads	3 gold-tone beads 6 mm (hole at least 2.5 mm); 2 natural wooden beads 12 mm (hole at least 3 mm). Both cord strands must pass through each bead together — test before you start.
Notions	fiberfill (a small handful), stitch marker, pins, tapestry needle, stiff card, scissors

Gauge

GAUGE 22 sc and 24 rows/rnds = 10 cm (4 in) in single crochet with a 2.5 mm hook. Gauge is not critical for an ornament, but work firmly so that stuffing does not show and flat pieces keep their shape; sizes depend on your tension.

How to swatch: Optional density check: ch 12, then work 10 rows of sc on 11 sts. The square should measure about 5 cm (2 in) wide and 4 cm (1.6 in) tall. If it is larger or you see gaps between stitches, use a smaller hook.

Finished Measurements

Part	Width	Height
Tulip (stuffed, with front petal)	≈ 4 cm (1.6 in)	≈ 4 cm (1.6 in)
Stem	≈ 0.8 cm	≈ 3.4 cm (1.3 in)
Leaf	≈ 1.7 cm	≈ 4 cm (1.6 in)
Tassel	–	9 cm (3.5 in)

CHOOSING A SIZE One size. For a larger ornament use light worsted (#4) cotton and a 3 mm hook; for a smaller one use sport-weight cotton and a 2 mm hook. Beads and tassel length can be changed freely.

Abbreviations (US terms)

ch	chain	**dc**	double crochet
sc	single crochet	**MR**	magic ring
inc	2 sc in the same stitch	**st(s)**	stitch(es)
sc2tog	single crochet 2 together	**rnd(s)**	round(s)
sl st	slip stitch	**( ) xN**	work the sequence in brackets N times
hdc	half double crochet		

Pattern Notes

- Joined rounds (where a round says "Join"): unless the round says otherwise, start the round with ch 1, which does not count as a stitch, and finish it with a sl st into the first stitch.
- Right side: for pieces worked in rounds, the outside of the rounds; for pieces worked in rows, choose the neater side and mark it. "Wrong sides together" means the marked right sides face out.
- US crochet terms are used throughout.
- The number in parentheses at the end of a row or round is the number of stitches you should have when it is finished. Tick the box when you finish each step.
- Rows: ch 1 at the start of a row does not count as a stitch; rounds worked in a magic ring are worked in continuous spirals unless the round says "join".
- Leave a 20 cm (8 in) tail when you fasten off a piece that will be sewn; weave in all other ends on the wrong side as you go.

Techniques

Magic ring (MR) — Wrap the yarn twice around two fingers, insert the hook under both strands, pull up a loop and ch 1 (does not count as a stitch). Work the stitches of Rnd 1 over both strands, then pull the tail firmly to close the centre.

Spiral rounds — Do not join or turn. Place a stitch marker in the first stitch of each round and move it up as you go.

sc2tog (flat pieces) — Insert the hook in the next st, yo and pull up a loop; insert in the following st, yo and pull up a loop (3 loops on hook); yo and draw through all 3.

Tassel neck wrap — Lay a 5 cm loop of the wrapping strand along the tassel, pointing down. Wrap the long end tightly around tassel and loop, from the top down. Pass the end through the loop, then pull the short tail at the top until the loop disappears under the wraps. Trim both ends and hide them in the skirt.

YARN A (PINK) · MAKE 1

Tulip Cup

The cup is worked in spiral rounds from the bottom; the three pointed petals are then worked in rows on its top edge.

☐	**Rnd 1**	With Yarn A, 6 sc in MR.	**(6)**
☐	**Rnd 2**	inc x6.	**(12)**
☐	**Rnd 3**	(sc 1, inc) x6.	**(18)**
☐	**Rnd 4**	sc 1, inc, (sc 2, inc) x5, sc 1.	**(24)**
☐	**Rnds 5–6**	sc in each st around (2 rnds). Sl st in the next st; do not fasten off.	**(24)**
		Petals: the 24 sts are divided into 3 groups of 8; place a marker in every 8th st so the groups are clear. Each petal is worked in rows over one group.	
☐	**Row 1**	First petal: ch 1; starting in the same st as the sl st, sc2tog, sc 4, sc2tog over the first group of 8 sts. Ch 1, turn.	**(6)**
☐	**Row 2**	sc2tog, sc 2, sc2tog. Ch 1, turn.	**(4)**
☐	**Row 3**	sc2tog x2. Ch 1, turn.	**(2)**
☐	**Row 4**	sc2tog. Fasten off, leaving a 20 cm tail for sewing.	**(1)**
		Second and third petals: join Yarn A with a sl st in the next unworked st of Rnd 6, ch 1 and work Rows 1–4 over the next 8 sts. Repeat once more over the last 8 sts.	
		Stuff the cup firmly. Using the tails (sew down from each tip), sew the edges of neighbouring petals together along Rows 1–2 only, so the cup closes over the stuffing and the petal tips stay free.	

YARN A (PINK) · MAKE 1

Front Petal

☐	**Rnd 1**	With Yarn A, ch 6. Sc in 2nd ch from hook, sc in next 3 ch, 3 sc in last ch; working along the other side of the chain, sc in next 3 ch, 2 sc in the first ch (the same ch as the first sc).	**(12)**
☐	**Rnd 2**	inc, sc 3, inc x3, sc 3, inc x2.	**(18)**
☐	**Rnd 3**	Sl st in each st around, working (sl st, ch 2, sl st) in the 4th of the 6 sts made by the inc x3 at the rounded end (this becomes the top point). Fasten off, leaving a 30 cm tail.	**(18)**

Pin the front petal on the front of the cup, point up, covering the seam between two cup petals, with its lower end 2 rnds above the magic ring. Whipstitch all the way round except the top third, so its tip stands free.

YARN B (SAGE GREEN) · MAKE 1 EACH

Stem and Leaf

Stem

☐	**Rnd 1**	With Yarn B, 5 sc in MR.	**(5)**
☐	**Rnds 2–8**	sc in each st around (7 rnds). Do not stuff. Fasten off, leaving a 20 cm tail.	**(5)**

Leaf

☐	**Leaf**	With Yarn B, make a chain of 10. Working in the back bumps: sl st in 2nd ch from hook, sc in next ch, hdc in next ch, dc in next 4 ch, hdc in next ch, 3 sc in last ch; working along the other side of the chain: hdc in next ch, dc in next 4 ch, hdc in next ch, sc in next ch, sl st in the last ch (the tip). Fasten off, leaving a 20 cm tail.	**(19)**

Sew the magic-ring end of the stem to the centre of the cup base. Sew the base of the leaf (the 3-sc end) to the side of the stem at Rnd 6, tip pointing up and out; tack the leaf to the stem 1 cm higher so it stays upright.

YARN C (CREAM)

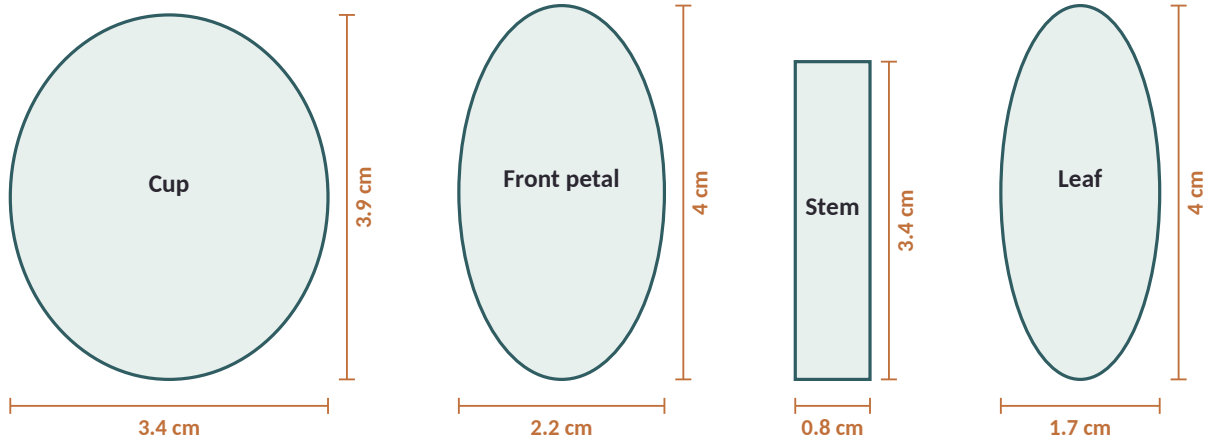

Tassel

The tassel is made first: the hanging cord is tied into its top, so the cord runs through the whole ornament and is anchored in the tassel.

☐	**Step 1**	Cut a piece of stiff card 10 cm (3.9 in) tall. Wrap Yarn C (cream) around the card 40 times, keeping the wraps side by side and not too tight. Cut the yarn at the bottom edge.
☐	**Step 2**	Cut the hanging cord: one 110 cm (43 in) length of Yarn C. Slide it under all the wraps along the top edge of the card so that its middle sits there, and tie it in a tight square knot around the wraps. Both cord ends now point upwards.
☐	**Step 3**	Cut through all the wraps along the bottom edge of the card and remove the card. Let the strands hang down from the cord knot.
☐	**Step 4**	Tassel neck: cut a 70 cm length of Yarn C. Measure 2 cm down from the top fold and wrap it tightly 8 times around the bundle (see Tassel neck wrap in Techniques).
☐	**Step 5**	Trim the skirt evenly to 9 cm (3.5 in) from the top fold. Hold it over steam (or dampen it) and comb the strands straight with your fingers; let it dry hanging.

Assembly & Finishing

Pieces at a glance

Approximate sizes; the cup is stuffed, the other pieces are flat.

- Thread both cord ends together through a large-eye tapestry needle (or a bead needle with a big eye). Work upwards from the tassel.
- String, from the tassel upwards: 1 wooden bead → 1 gold bead → the tulip with its stem → 1 gold bead → 1 wooden bead → 1 gold bead.
- Tulip: push the needle up through the open end of the stem tube, through the stem, the cup base and the stuffing, and out between the three petal tips at the top.
- Push everything down snugly onto the tassel so there are no gaps. Holding both cord ends together, tie one overhand knot right above the top bead to lock the stack.

- Hanging loop: tie the two cord ends together with a square knot so that the loop measures 8 cm (3 in) from the overhand knot to the top. Trim the ends to 5 mm and add a drop of fabric glue to the knot if you like.

SAFETY This is a decoration, not a toy, and not suitable for children under 3 years. Beads and cords are a choking and strangling hazard: hang it out of reach of babies, young children and pets.

Checkpoints & Troubleshooting

Stop and count at these points — every number is the stitch count on your needle after that step, exactly as printed in the rows.

Piece	Count	One size
Tulip Cup	after: Rnd 1	6
	after: Rnd 2	12
	after: Rnd 4	24
	after: Row 4	1
Front Petal	after: Rnd 1	12
	after: Rnd 2	18
Stem	after: Rnd 1	5
Stem and Leaf: leaf	after: Leaf	19

If your count doesn't match

- **Count at every checkpoint.** One stitch out: look back to the last checkpoint for a missed or doubled increase or decrease and put it right there. A lifeline (a smooth thread run through a finished row) lets you rip back safely to a row you know is right.
- **Piece longer or shorter than expected for the rows:** your row gauge differs. Lengths are worked to the measurement given, so measure the piece flat, without stretching, and follow the cm.
- **Shaping lines look ragged:** work the decreases at the same distance from the edge every time, as written, so the seams and bands have a straight edge to follow.
- **Working in rounds:** place a marker at the start of the round and move it up every round — most count errors in rounds come from a lost round start.

THANK YOU Thank you for making this ornament. Happy crocheting!
